Finance Department
8401 N.W. 53rd Terrace
Doral, Florida 33166

This letter is to confirm our understanding of the terms and objectives of our engagement and the nature and limitations of the services I will provide.

I will perform the following services:

I will compile, from information you provide, the annual statements of financial position and the related statement of activities of Parks & Police 4 Kids, Inc. (a nonprofit organization) for the year ended September 30, 2014, and issue an accountant's report thereon in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

The objective of a compilation is to assist you in presenting financial information in the form of financial statements. I will utilize information that is your representation without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements in order for the statements to be in conformity with accounting principles generally accepted in the United States of America.

You are responsible for-

- a. the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America.
- b. designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.
- c. preventing and detecting fraud.
- d. identifying and ensuring that the organization complies with the laws and regulations applicable to its activities.
- e. making all financial records and related information available to us and for the accuracy and completeness of that information.

I will conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation differs significantly from a review or an audit of financial statements. A compilation does not contemplate performing inquiry, analytical procedures, or other procedures performed in a review.

Members of the Board of Directors
Parks & Police 4 Kids, Inc.

Page 2 of 4

Additionally, a compilation does not contemplate obtaining an understanding of the organization's internal control; assessing fraud risk; testing accounting records by obtaining sufficient appropriate audit evidence - through inspection, observation, confirmation, or the examination of source documents (for example, cancelled checks or bank images); or other procedures ordinarily performed in an audit. Accordingly, I will not express an opinion or provide any assurance regarding the financial statements being compiled.

The engagement cannot be relied upon to disclose errors, fraud, or illegal acts. However, I will inform the appropriate level of management of any material errors, and of any evidence or information that comes to my attention during the performance of the compilation procedures that fraud may have occurred. In addition, I will inform you of any evidence or information that comes to my attention during the performance of the compilation procedures regarding illegal acts that may have occurred, unless they are clearly inconsequential. I have no responsibility to identify and communicate deficiencies in your internal control as part of this engagement.

If, for any reason, I am unable to complete the compilations of your financial statements, I will not issue reports on such statements as a result of this engagement.

I will prepare the federal Form 990 (Return of Organization Exempt from Federal Income Tax) with supporting schedules for Parks & Police Kids, Inc., for the fiscal year ending September 30, 2014. I will also propose any adjusting entries that I find necessary in connection with the preparation of the income tax return.

You are responsible for the safeguarding of assets, the proper recording of transactions in the books of accounts, the substantial accuracy of the financial records, and the full and accurate disclosure of all relevant facts affecting the return(s) to us. You also have final responsibility for the tax return and, therefore, the appropriate company officials should review the return carefully before an authorized officer signs and files it.

If, during the work, I discover information that affects prior-year tax returns, I will make you aware of the facts. However, I cannot be responsible for identifying all items that may affect prior-year returns. If you become aware of such information during the year, please contact me to discuss the best resolution of the issue. I will be happy to prepare appropriate amended returns as a separate engagement.

The Internal Revenue Code and regulations impose preparation and disclosure standards with noncompliance penalties on both the preparer of a tax return and on the taxpayer. To avoid exposure to these penalties, it may be necessary in some cases to make certain disclosures to you and/or in the tax return concerning positions taken on the return that do not meet these standards. Accordingly, I will advise you if I identify such a situation, and I will discuss those tax positions that may increase the risk of exposure to penalties and any recommended disclosures before completing the preparation of the return. If I conclude that I am obligated to disclose a position and you refuse to permit disclosure, I reserve the right to withdraw from the engagement. Likewise, where I disagree about the obligation to disclose a position, you also have a right to choose another professional to prepare your return. In either event, you agree to compensate me for the services to the date of the withdrawal. Our engagement with you will terminate upon withdrawal.

The IRS permits you to authorize me to discuss, on a limited basis, aspects of your return for one year after the return's due date. Your consent to such a discussion is evidenced by checking a box on the return. Unless you tell me otherwise, I will check that box authorizing the IRS to discuss your return with me.

Certain communications involving tax advice may be privileged and not subject to disclosure to the IRS. By disclosing the contents of those communications to anyone, or by turning over information about those communications to the government, you, your employees, or agents may be waiving this privilege. To protect this right to privileged communication, please consult with me or your attorney prior to disclosing any information about the tax advice." Should you decide it is appropriate for me to disclose any potentially privileged communication, you agree to provide me with written, advance authority to make that disclosure.

Members of the Board of Directors
Parks & Police 4 Kids, Inc.

Should I receive any request for the disclosure of privileged information from any third party, including a subpoena or IRS summons, I will notify you. In the event you direct me not to make the disclosure, you agree to hold me harmless from any expenses incurred in defending the privilege, including, by way of illustration only, our attorney's fees, court costs, outside adviser's costs, or penalties or fines imposed as a result of your asserting the privilege or your direction to me to assert the privilege.

The return may be selected for review by the taxing authorities. In the event of an audit, you may be requested to produce documents, records, or other evidence to substantiate the items of income and deduction shown on a tax return. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of a tax examination, I will be available, upon request, to represent you. However, such additional services are not included in the fees for preparation of the tax return.

You agree to assume all management responsibilities for the bookkeeping services, tax services, or other nonattest services I provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

I estimate that the fees for these services will be **\$1,500** for the compilations and the preparation of the tax return (Form 990). You will also be billed for out-of-pocket costs such as report production, word processing, postage, travel, etc. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the work performed. If significant additional time is necessary, I will discuss it with you and arrive at a new fee estimate before I incur the additional costs. The invoices for these services will be rendered as work progresses and are payable upon presentation. **A retainer of \$700 is required prior to commencement of the work.**

You may request that I perform additional services not contemplated by this engagement letter. If this occurs, I will communicate with you regarding the scope of the additional services and the estimated fee. I also may issue a separate engagement letter covering the additional services. In the absence of any other written communication from me documenting such additional services, my services will continue to be governed by the terms of this engagement letter.

In accordance with my firm policies, work may be suspended if your account becomes 10 days or more overdue and will not be resume until your account is paid in full. Interest shall accrue on all amounts overdue at the rate of one and half percent per month or the maximum rate allowed by law, whichever is less. If I elect to terminate my services for nonpayment, our engagement will be deemed to have been completed even if I have not completed the report. You will be obligated to compensate me for all time expended, reimburse me for all out-of-pocket expenditures including attorneys' fees and costs incurred in the enforcement of any of the provisions of this agreement including all costs of collection of all and any sums that remains unpaid.

I appreciate the opportunity to be of service to you and I believe this letter accurately summarizes the significant of our engagement. If you have any questions, please let me know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to me.

Sincerely,

Saugar, P.A.

Dear Supporters of the Bicycle Action Committee:

I want to personally thank you for supporting our joint venture relationship with various cities including The City of Miami, The City of Coral Gables, The Village of Pinecrest, The City of South Miami and The City of Miami Beach. With your support, the Bicycle Action Committee is able to manufacture city-specific bike clothing that raises money for bike projects and initiatives in these cities. In addition to showcasing your company's logo or brand, our bike clothing demonstrates your company's commitment to bike safety and awareness.

Today I am announcing the launch of the City of Fort Lauderdale Joint Venture Fundraising. The City of Fort Lauderdale has an extensive list of bike initiatives, and I am excited about our role in helping the City achieve its goals.

I wanted to give you the first opportunity to support the Bicycle Action Committee. Promote your business by donating \$350 or more and display your brand/logo on our clothing. Pricing information for clothing can be found on the following page.

Support the cause by making a donation in any amount to our general fund which helps fund our overhead costs such as website design.

Acceptable methods of payment include writing a check payable to Bicycle Action Committee, visiting our website and using PayPal and calling our office to provide credit card information.

Dear Valued Community Member:

Bicycling is on the rise in American cities all across the nation. Given the economic and health benefits of biking, it is easy to see why this method of commuting has become increasingly popular. According to data released by the U.S. Census Bureau in May 2014, the number of Americans who bike to work has increased by about sixty percent in the past decade. As this number continues to increase, so does the concern for bike safety.

Enter the Bicycle Action Committee (BAC), formed in 2008 by a group of local bike enthusiasts as a means to push cities forward to become more bicycle-friendly. Made up of business owners, city representatives and cyclists, the BAC aims to increase bike safety and awareness by utilizing a partnership between the private and public sector. Members of the BAC present at various City Council meetings and request permission to use the city seal and colors on bike jerseys and shorts. The sales proceeds from these bike jerseys and shorts are then given directly back to the cities to be used in funding various city bike initiatives. Proceeds from these bike-clothing sales have already been used to fund various bike initiative programs in our partner cities including construction of the Virginia Key Mountain Bike Trail. Involved cities include The City of Miami, The City of Coral Gables, The Village of Pinecrest, The City of South Miami, The City of Miami Beach and The City of Fort Lauderdale. The BAC is proudly sponsored by Mallah Furman CPA's.

The success of these efforts is greatly dependent on bike clothing sales, as these sales fund local bike projects. Our clothing is top of the line quality made by well-respected Veloce Speedwear. The education patented male and female riders adorn the front of the jersey together with bicycle safety patterns throughout the bike clothing.

We are looking for sponsors to place their logo on our bike clothing. Given that cycling has a tremendous following and network, our sponsors' logos will be seen in various cities throughout the country.

With your sponsorship, you will receive a jersey and shorts, as well as recognition in our newsletter. I ask that you please support the male and female cyclists of this country by becoming a sponsor. The BAC is a non-profit organization under Section 501(c)(3) of the Internal Revenue Code, so your donation is fully tax-deductible.

You can make your check payable to Bicycle Action Committee and mail it back in the enclosed envelope or you can make your contribution on our website.

Thank you for your help in making our country a safer place for cyclists.

THE CITY OF CORAL GABLES

The City of Coral Gables' Bicycle and Pedestrian Master Plan includes more than 27 miles of new or improved bikeways sidewalks and crosswalks. It recommends a comprehensive expansion and diversification of facilities to expand the demographics of residents who bicycle. Beyond constructing a network of safe bikeways, education, encouragement and programming are playing a critical role in making Coral Gables more bike friendly.

THE VILLAGE OF PINECREST

The Village of Pinecrest adopted the Village Bicycling Plan, which was developed by the Transportation Advisory Committee (TAC), a resident committee, and approved by Village Council. The proposed project will add bike lanes and bike routes throughout the Village to increase safety and promote connectivity along those roads that accommodate safe environment for sharing the roadway with vehicular traffic.

CITY OF MIAMI

The City of Miami is working to create a more vibrant and livable community that is safe and convenient to bicycle. Through the implementation of bicycle lanes, shared use lane markings, signage, and greenways, Miami has begun to develop a bicycle network. Miami has been working to increase safe and convenient bicycle parking, as well as a robust bicycle share program.

MIAMI BEACH

The Miami Beach City Commission adopted the Atlantic Greenway Network (AGN) Master Plan, also known as the Bike Master Plan, in 2007. As an outcome of the AGN Master Plan, the City has constructed over 15 miles of bicycle facilities and has over seven more miles in construction and design stages. Other initiatives include the Miami Beach Bike Sharing Program, Bicycle Safety Campaign, Miami Beach Community Bike Ride and Bike to School Day.

CITY OF FORT LAUDERDALE

The City of Fort Lauderdale is working to create a resilient, livable community that is safe and convenient to bicycle, walk and take transit. The City is working to accomplish this goal through a multipronged approach including education, engineering, enforcement, encouragement and evaluation. The City has a Transportation & Mobility Department that is dedicated to this goal and has been working on bicycle initiatives including adding new facilities, developing a Safety Action Plan, promoting awareness through events such as an Open Streets, and facilitating safety education.

PINECREST OKS GRANT FOR GREEN TRANSIT STUDY

By Brittny C. Valdes

The future of Pinecrest is looking more bicycle and pedestrian friendly.

The Village Council recently approved a \$32,000 bicycle and pedestrian mobility plan grant from the Miami-Dade County Metropolitan Planning Organization to help fund a study that will analyze how to better connect the village's eastern residential area to its three-mile U.S. 1 corridor.

The study stems from the Village Council's 2012 vision plan that proposed to beautify and improve Pinecrest's U.S. 1 corridor by adding sidewalks, new and wider bike lanes, bike racks, and possible shower and changing facilities behind commercial outlets on the corridor.

"This will allow residents to go between properties without having to go to U.S. 1," said Village Manager Yocelyn Galiano Gomez, who added the plan promotes an interactive community because residents will be able to safely walk and bike to the corridor instead of drive.

Galiano Gomez said the lack of bike and pedestrian routes in the village is one reason there is so much traffic on the corridor. The Village Council must match 20 percent of the grant, which is \$8,000, to pay for the \$40,000 study.

A consultant has not been chosen and there are no exact dates for the study to commence, but Galiano Gomez said Pinecrest has a strong biking community, so this plan is vital.

Richard Cahlin, a former Pinecrest resident who now lives in Coconut Grove, agrees.

"Any road biker has heard of someone who has fallen, gotten hit or died," said Cahlin, a certified public accountant who road-bikes as a hobby and created the Bicycle Action Committee (BAC) in 2008 to promote bicycle safety throughout Miami-Dade County.

The Miami Herald

The BAC, made up of business owners, city representatives and cyclists, has previously partnered with Miami and Coral Gables by adopting the cities' logos, manufacturing cycling outfits with the cities' logos on them, and then selling them to cyclers to raise money for bicycling initiatives in each of the cities.

The BAC was able to fund a mountain bike trail in Virginia Key for the city of Miami and bike racks for Coral Gables. Cahlin, who works for Mallah Furman in Brickell, receives donations from his firm, colleagues and friends to help pay for the outfits, which BAC sells for \$75 (top and bottom).

Now Cahlin has asked Pinecrest's Village Council members to join his efforts, and they agreed.

"It's complimentary to what we are trying to do," said Galiano Gomez. Cahlin will present the outfits he designed for Pinecrest at the next Village Council meeting on July 16 at 6 p.m.

"It's a road paved with bureaucrats that all have good intentions," Cahlin said about his reasons to fundraise for bike initiatives. "More and more people are electing to bike for health, eco and money reasons. The awareness that this creates is important for anybody on the road."

BICYCLE ACTION COMMITTEE IN THE NEWS

BIKE ACTION COMMITTEE CREATES CAMPAIGN TO PROMOTE SAFETY

By Raquel Garcia

Richard A. Cahlin will not tell you he is “over the hill,” but he will say that as he approaches that proverbial hill, he figured it would be easier on his physique to get there on a bike rather than by running. Today the retired distance runner and CPA — who averages about 75 to 80 miles weekly on his road bike — also chairs the City of Miami Bike Action Committee private / public partnership. The group currently is selling biking jerseys and shorts designed with the Coral Gables city seal in order to promote bike safety and fund bicycle racks in the City Beautiful.

“About three years ago a group of us started to get together once a month to promote bike safety and awareness,” Cahlin said. “It’s like school lunches, no one is against bike safety but as an initiative it can be a very difficult task.” The group of city employees and avid bikers decided a light-hearted way to push for the cause would be to sell biking gear and use the proceeds to enhance bike safety in the sponsoring municipality.

According to Trenda Mcpherson, State Bicycle Safety Program manager with the Florida Department of Transportation (FDOT), biking fatalities in Florida have gone down from a high of 126 in 2008 to 83 in 2010 (most recent available numbers). In Miami-Dade County there were 527 bicyclists injured and seven killed in traffic accidents in 2010 according to figures from David Henderson, Bicycle/Pedestrian Coordinator with the Miami-Dade County Metropolitan Planning Office.

The City of Miami sponsored the first Bike Action Committee campaign where 100 biking outfits were sold with the city seal and the proceeds went to support the mountain biking trail on Virginia Key. The spandex-style outfits are made locally by Veloce Speedwear and range in cost from \$75 to \$200. Company logos are placed on the outfit as they would appear on a racecar driver’s uniform and logo placement cost varies depending on donation.

BICYCLE ACTION COMMITTEE IN THE NEWS

Cahlin recently made a presentation to the Village of Pinecrest and was approved so he will be starting a campaign there soon. The presentation to South Miami also met with approval from commissioners.

FDOT's "Alert Today Alive Tomorrow" pilot program conducted a one month analysis of pedestrian and biker safety in Miami-Dade County. From a survey of 4,084 individuals, it determined that 85 percent of bicyclists are male, 86.5 percent do not wear helmets, 90 percent did not use lights at night (a statutory requirement) and only 22.5 percent were riding correctly against traffic. They also found that 44.5 percent of motorists in Dade County do not yield to pedestrians or bicyclists.

Cahlin has traveled the country on biking adventures to Maine, California, Vermont, but says the best riding is right here in South Florida. "Key Biscayne is one of the most beautiful rides, across the bridge with water on both sides; it doesn't get much better than that. We have the most beautiful weather year round to take advantage of cycling, and make it safe."

Academic achievements

Music Theory

After the first month of the program, children are capable of reading rhythms and music notes. They recognize all notes from the scale and all rhythms required to understand the following repertoire:

- Hello hello my friend
- Twinkle twinkle little star

Violin Group

In this group children are starting to hold the bow and the violin in the right position. They are able to follow instructions in order to play every piece.

They are developing discipline and enthusiasm towards the activity and working hard to overcome the difficulties of the repertoire.

Guitar Group

This group has developed the use of basic right hand technique using thumb, index and middle fingers to perform a basic arpeggio required by the repertoire above mentioned.

They have developed and recognize the cords of C Major, D Minor, F Major and G Major, harmonies used for the mentioned repertoire.

Orchestral Ensemble

We have conducted one general rehearsal integrating violins and guitars achieving disciplinary work, musical ensemble and rhythm patterns required for performance.
