2. Agenda/Order of Business

- a. The only point discussed at the special meeting was the Animal Control Officer Certification Course, presented by Bibiana Salmon.

Considering it is important to broaden the knowledge and improve the overall educational level regarding cruelty to animals in the City of Doral, this course addresses the overwhelming concern residents have regarding this issue.

Bibiana Salmon shared with members of the board the information on the **Animal Control Officer Certification Course**, scheduled for the week from 5 to 9 September (8:00 a.m. to 5:00 p.m.) in Daytona Beach, FL. Registration is \$425 per person plus lodging.

The idea is that those board members willing and able to participate, receive the sponsorship from the City of Doral to cover the costs of registration and lodging.

All 5 board members voted unanimously in favor of this motion made by Carolina Noceti and seconded by Biaggio Correale.

Members of the public shared ideas related to expanding the work we do to benefit and improve the lives of cats and dogs roaming the streets of Doral. Ideas such as availability of a physical place provided by the city, for recuperation of sick or injured animals, increasing the number of foster homes for strays, and organizing events where we can invite national celebrities and organizations that may want to partner with us in this effort.

- 3. Adjournment - The meeting was adjourned at 10:45 AM. Motion was made by Maria Bradham and seconded by Biaggio Correale.

Respectfully Submitted,

Biaggio Correale, Animal Welfare Committee Secretary
