Safety and Adventure at Camping Under the Stars

To kick off in-person events, the City hosted its annual Camping Under the Stars event on Friday, February 5 at Doral Central Park.

In attendance were 100 camping tents comprised of same-household members. All campers were encouraged to participate in the virtual activities that were featured on the large LED screen. Activities included: ZOO Yoga presented by Zoo Miami, an instructional video from the FIU's College of Arts and Science and Education and finally a Nature Exploration video by Zoocademy.

Following the virtual activities that patrons participated in at their tent space, Scouts BSA Troop 552 held a ceremonial lighting of the campfire, which led into the Flag Retirement Ceremony and then a socially distanced roasting of marshmallows.

The Honorable Mayor, Juan Carlos Bermudez, introduced Council-members and welcomed everyone to the event. Following the Mayor's remarks, it was time for the featured film, DOLITTLE. Once the movie concluded, it was lights out for the night.

The morning wake-up call at 7:00AM included a warm and freshly prepared breakfast by Scouts BSA Troop 552, which was the perfect start for nautre-themed Saturday morning. Overall, it was a successful event with exceptional experiences and new interactive virtual activities for everyone to safely enjoy!

The Doral Bunny hopped through Doral Glades Park

...for our annual EGGstravaganza event. On Saturday, March 20, the City hosted its annual Eggstravaganza event in a creative and safe way with a drive-thru to ensure Doral residents did not miss out the opportunity to see the Doral Bunny!

Over 600 cars joined in on the fun as they made their way through two decorative balloon arches and then moving on to sponsor tents with giveaways, balloon artists making balloon designs, and a live DJ playing the hottest tunes of today.

One of the most exciting elements of the drive-thru event was Wesley Williams, the One-Wheel Wonder Unicyclist who was featured on America's Got Talent! Wesley greeted patrons on his 4-wheel high unicycle and gave an amazing performance to everyone passing by.

Finishing off the line was the goodie bags packed with fun arts and crafts and dozens of eggs! Mayor Juan Carlos Bermudez, Vice Mayor Pete Cabrera, Councilwoman Claudia Mariaca and the Doral Bunny hopped and walked by every vehicle and handed out over 1,000 goodie bags.

A total of 40,000 bright and colorful eggs filled with toys and candy were given away during this event. It was truly an EGG-citing and magnificent way to welcome springtime while staying safe!

AT THE DRIVE-IN!

One of the leading events during Covid, was our Drive-In Movie Series that was hosted at Doral Central Park. This popular series featured five different movies such as: Sonic, The Nightmare Before Christmas, Santa Claus, Trolls World Tour, The Rise of Skywalker and the Lorax.

These drive-ins featured an enormous screen, which allowed for up to 250 cars per event to come into the park enjoy a movie in a safe and socially distanced way.

Stay tuned to the City's social media (@cityofdoral) for upcoming announcements on the Movies at the Park series.

Culture *in* Doral

MISO SYMPHONY ORCHESTRA

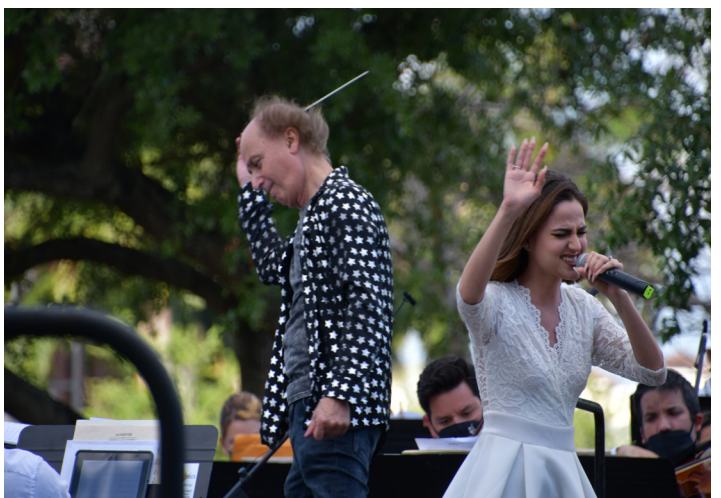

On Saturday March 27, 2021, the City of Doral hosted the Miami Symphony Orchestra Concert at Downtown Doral Park. This magnificent event started with opening statements by the Mayor, who welcomed council-members and approximately 700 patrons to the event.

Following the Mayors welcoming remarks, Maestro Eduardo Maturer, took the stage to perform a beautiful rendition of “Danza del Fuego from El Amor Brujo” by Manuel de Falla. Throughout the 70-minute performance, several songs were played, some of which included “Las Bellas Noches de Maiquetía, Waltz N°2”, and the world premiere of “Beirut” produced by Emilio Estefan and performed stunningly by vocalist Yailenys Perez.

After a much-deserved standing ovation, the audience was once again captivated by the orchestras and vocalist’s rendition of “Never Enough” originally composed by Benj Pasek and Justin Paul.

Spectators praised and applauded Maestro and the Miami Symphony Orchestra after playing the final piece, “Danzón N°2” by Arturo Márquez. Maestro thanked everyone for attending the event and hoped to return for another amazing MISO at the Park in 2022.

It was truly a marvelous night celebrating cultural arts and music.

MANOLO VALDES EXHIBIT

The City partnered with local art organization, DORCAM, to bring the world-renowned sculptures of Manolo Valdes to the City of Doral. The sculptures can be seen throughout different parks, where many patrons can enjoy their beauty as they play and enjoy the outdoors.

On Saturday, March 20, the community was invited to attend an outdoor event to celebrate the 'Manolo Valdes, The Legacy' exhibit. This display has been the largest monumental exhibition to date done by the contemporary art master artist. Everyone in attendance was able to enjoy art, entertainment, and free trolley tours. The exhibition will be on display until June 2021.

ART AFTER DARK SERIES

The Art After Dark series remained extremely popular, even through the pandemic. The virtual Art After Dark classes allowed participants to enjoy the fun and creative workshops from the safety of their homes.

Attendees celebrated Valentine's Day on February 11th by building their own Valentine's Day themed succulent planter. On March 17th, the instructor taught the entire class how to build their own paper flowers. After each workshop participants kept their creations for themselves or to gift to friends or family. This series has proven to be an excellent way to expand our community's artistic knowledge and creativity.

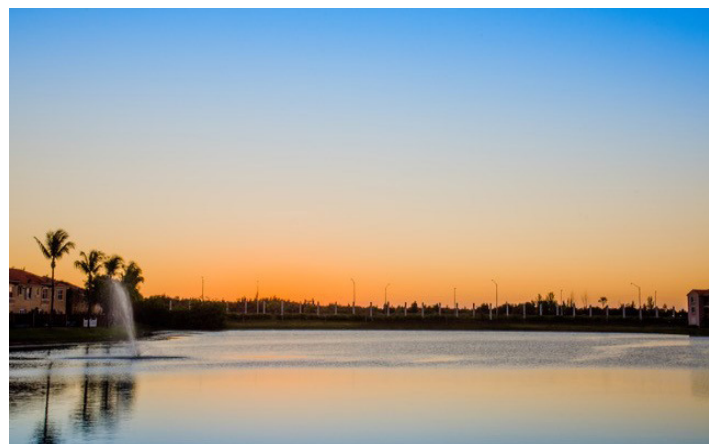

CAPTURE DORAL

On Thursday, March 11, the City of Doral hosted the opening reception of its annual Capture Doral Photography Exhibit. This event, originally created by the Cultural Affairs Advisory Board, was held outdoors at Downtown Doral Park for the first time since its inception. An estimated 50 patrons were in attendance and were greeted with the beautiful pieces as they made their way around the lawn area of the park. Everyone in attendance was able to enjoy some wonderful, sweet treats sponsored by Divietos Ristorante and refreshing teas from Wild Elephant Tea.

Being held outdoors proved to have several benefits, such as, expanding the exhibit's visibility, accessibility, and being able to maintain social distancing for all exhibit goers over the two-week display.

The exhibit included 16 local photographers from both professional and amateur backgrounds who brought in over 30 submissions. Downtown Doral Park was transformed into a stunning outdoor exhibit displaying 24 selected photographs that capture what bring "Doral Strong" meant to them and the community.

DORAL EARTH DAY *Celebrations*

SENSORY NATURE WALK

Earth Day Festivities kicked off on Thursday, April 22, at Doral Glades Park with a Sensory Nature Walk. This interactive walk begins by the northwest portion of the lake. LADY BUG RELEASE

To close out our Earth Day Celebrations was a very special lady bug release hosted by the Girl Scouts of Tropical Florida. Over 200 patrons joined in at Doral Glades Park to release over 10,000 lady bugs into our park's ecosystem to naturally control pests withing the park and help reduce the use of pesticides. After the release, each kid took home a goodie bag with ladybugs giveaways and information on the benefits of having them in our parks. Overall, it was a day full of excitement and joy for all the participants that attended the activities.

DORAL LITTLE LEAGUE

The recreational program which was comprised of 102 beginner level participants provided basic instruction on how to play baseball including hitting, catching, fielding, throwing and running. These participants were also provided with the opportunity to play in their first games ever at the end of the season so they could put to practice what they were taught throughout the season.

The travel program with 94 players affiliated with Little League and MYBA, provided more experienced players the opportunity to hone their baseball skills in a more competitive setting. Doral Little League will be participating in the Little League World Series at the end of June.

The Miami Marlins continued their support of baseball in Doral by providing all TeeBallers (Ages 4-6) with a free dri-fit T-shirt, a Marlins cap, and two free tickets to a Marlins game. The Miami Marlins TeeBall Initiative was created to stimulate interest in baseball at the youngest ages.
