

# NW 58 ST OUTFALL PROJECT

## FACT SHEET

Roadwork Begins:

November 14, 2022

### OVERVIEW

On Monday, November 14, 2022, the City of Doral Public Works Department is scheduled to begin construction for the NW 58th Street Outfall Project. This project will be completed in phases. Phase I is drainage improvements along NW 57 Street between NW 78 Avenue and NW 79 Avenue. Phase II is drainage improvements along NW 79 Avenue between NW 57 Street and NW 58 Street. Phase III is drainage improvements along NW 58 Street east of NW 79 Avenue. The Project will include new stormwater drainage systems and milling and resurfacing. As a result, lane closures are to be expected within this area due to construction.

**THIS IMPROVEMENT WILL BENEFIT YOU BY: ADDRESSING ROADWAY FLOODING.**

### WORK TO BE PERFORMED

- Stormwater drainage improvements.
- Milling and Resurfacing both lanes.
- New striping.
- Curb & Gutter
- Site restoration.

### AFFECTED ROADWAYS

- Project will be completed by roadway. Partial road closures are expected within each work zone.
- Expect Delays.
- No parking along the swale in the work zones.
- Driveway Access will be available at all times.
- Work Hours: 7AM-5PM, Monday-Saturday.

### PROJECT SCHEDULE

Approximately 180 calendar days for Final Completion

**Please note that this schedule could change due to weather or other unexpected conditions.**

### HELPFUL HINTS

Allow extra time to reach your destination. Obey all posted signs and speed limits.

Watch for signs with information about upcoming work and traffic conditions.

### ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around a construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle accidents. The department takes steps to reduce construction effects, but you might experience the following around the work site:

- Side street, traffic lane, and sidewalk closures or diversions.
- Increased dust and noise.
- Workers and equipment moving around the area.

### FOR MORE INFORMATION
