The authorized agency representative whose assistance is sought shall evaluate the situation and the available resources, and will respond in a manner deemed appropriate.
2. Each party to this Agreement agrees to furnish necessary personnel, equipment, facilities, and other resources and to render services to the other party as required to assist the requesting party in addressing the situation which necessitated the request; provided, however, that no party shall be required to deplete unreasonably its own personnel, equipment, facilities, and other resources and services in rendering such assistance.
3. The Agency Heads of the participating law enforcement agencies, or their designees, shall establish procedures for giving control of the mission definition to the requesting agency, and for giving tactical control over accomplishing any such assigned mission and supervisory control over all personnel, equipment, facilities, and other resources and services provided pursuant to this Agreement to the providing agency.

B. Powers, Privileges, Immunities, and Costs:

1. All employees of the participating law enforcement agency, including certified law enforcement employees, during such time that said employees are

actually providing aid outside of the jurisdictional limits of their employing agency pursuant to a request for aid made in accordance with this Agreement, shall, pursuant to the provisions of this Mutual Aid Agreement, have the same powers, duties, rights, privileges, and immunities as if they were performing duties in the jurisdiction in which they are normally employed.

2. The political subdivision having financial responsibility for the participating law enforcement agency providing personnel, equipment, facilities, and other resources and services pursuant to the provisions of this Agreement shall bear any loss or damage to same and shall pay any and all expenses incurred in the maintenance and operation of same.
3. The political subdivision having financial responsibility for the participating law enforcement agency providing aid pursuant to this Agreement shall compensate all of its employees rendering aid pursuant to the Agreement during the time of the rendering of such aid, and shall defray the actual travel and maintenance expenses of such employees while they are rendering such aid. Such compensation shall include any amounts paid or due for compensation due to personal injury or death while such employees are engaged in rendering such aid. Such compensation shall also include all benefits normally due such employees.
4. All exemption from ordinances and rules, and all pension, insurance, relief, disability, workers' compensation, salary, death, and other benefits which apply to the activity of such officers, agents, or employees of any such

agency when performing their respective functions within the territorial limits of their respective agencies shall apply to them to the same degree, manner, and extent while engaged in the performance of their functions and duties extra territorially under the provisions of this Mutual Aid Agreement. The provisions of this Agreement shall apply with equal effect to paid and auxiliary employees.

- C. Indemnification: Each party engaging in any mutual cooperation and assistance pursuant to this Agreement agrees to assume responsibility for the acts, omissions, or conduct of such party's own employees while participating herein and pursuant to this Agreement, subject to the provisions of Section 768.28, Florida Statutes, where applicable. "Assume Responsibility" shall mean incurring any and all costs associated with any suit, action, or claim for damages arising from the performance of this Agreement.
- D. Forfeitures: It is recognized that during the course of the operation of this Agreement, property subject to forfeiture under the Florida Contraband Forfeiture Act, Section 932.701 et. seq., Florida Statutes, may be seized. The property shall be seized, forfeited, and equitably distributed among the participating agencies in proportion to the amount of investigation and participation performed by each agency, less the costs associated with the forfeiture action. Any participating law enforcement agency must request sharing, in writing, before the entry of a Final Order of Forfeiture, or they will be barred from claiming any portion of the property forfeited. The agency pursuing the forfeiture action shall have the exclusive right to control and the responsibility to maintain the property,

A. Concurrent law enforcement jurisdiction in and throughout the territorial limits of the participating municipalities located in Miami-Dade County and in unincorporated Miami-Dade County for arrests made pursuant to the laws of arrest, for felonies and misdemeanors, including arrestable traffic offenses, which spontaneously take place in the presence of the arresting officer, at such times as the arresting officer is traveling from place to place on official business outside of his or her jurisdiction; for example, to or from court, provided that, in the context of this Agreement, "official business outside of his or her jurisdiction" shall not include routine patrol activities. This Agreement excludes those areas within the territorial limits of any municipality not participating in Mutual Aid with Miami-Dade County, and in any areas in which the Miami-Dade Police Department does not have law enforcement jurisdiction.

constituting a felony or any act of domestic violence as defined in Section 741.28, Florida Statutes, when such offense occurred in the jurisdiction of the agency employing the arresting officer. However, absent a search warrant, concurrent jurisdiction under this subparagraph does not include authority to make nonconsensual or forcible entries into private dwellings, residences, living spaces or business spaces which are not open to the public. Authority derived pursuant to this subparagraph may be exercised only when in places open to the public or private places into which the arresting officer has entered with the consent of an occupant entitled to give consent. When operating under mutual aid, participating agency officers may execute search warrants outside the jurisdiction of their employing municipality for offenses which occurred in their jurisdiction. Participating agency officers may execute the search warrant, impound all property, make arrests, and file the Return and Inventory. This concurrent jurisdiction excludes those areas within the territorial limits of any municipality not participating in mutual aid with Miami-Dade County, and in any areas in which the Miami-Dade Police Department does not have law enforcement jurisdiction.

- C. Prior to any officer taking enforcement action pursuant to either paragraph A. or B. above, the officer shall notify the designated officer of the jurisdiction in which the action will be taken, unless exigent circumstances prevent such prior notification, in which case notification shall be made as soon after the action as practicable. Furthermore, all arrests made pursuant to paragraph A. above shall be processed and coded pursuant to directions of the Clerk of the Court, in such

manner as to ensure that any revenues or surcharges generated as a result of said arrests shall be directed to the jurisdiction in which the arrest was made.

D. General Requirements:

1. Officers shall not utilize unmarked vehicles to make traffic stops or to engage in vehicle pursuits.
2. Concurrent law enforcement jurisdiction pursuant to this Agreement does include preplanned operations, undercover investigations, stings, or sweeps.
3. Officers shall not conduct routine patrol activities outside of their jurisdiction.
4. Reports of any action taken pursuant to this Agreement shall be faxed to the agency head of the agency within whose jurisdiction the action was taken, as soon as possible after the action.
5. Any conflicts regarding jurisdiction will be resolved by allowing the agency within whose jurisdiction the action took place to take custody of any arrestees and/or crime scenes.
6. All concurrent jurisdiction stationary surveillance activities shall require notification of the agency within whose jurisdiction the surveillance takes place. The notification shall include the general location of the surveillance, and a description of the vehicles involved. Mobile surveillance shall not require notification unless concurrent jurisdiction enforcement activities take place.
