6. Discussion Items

a. Discussion: Joint Workshop – with another City of Doral Advisory Board

- Mr. Manuel Pila informed the board that he was invited to a Faith & Community Based Organizations Advisory Board meeting to discuss the possibility of holding a business workshop. The Faith & Community Based Organization board created a survey that went out to the City of Doral residents asking what they like the board to focus on and the results stated that the residents wanted to do more 'job-training' throughout the City of Doral. Mr. Pila reassured the Economic

Development board that the workshop isn't going to be Faith-based related, it will strictly be a business workshop. There will be a variety of topics that will be discussed in the workshop, such as ADA compliance. The workshop will take place sometime in October.

- Ms. Moreno stated that it's a great initiative but asked if there's a need to revamp the business forums. Ms. Moreno stated that the business forums should be more strategic and more proactive, and Ms. Galoppi stated that they should be more specific regarding what topic is going to be discussed in the business forum events.

b. New Business

- Ms. Moreno informed the board that Mr. Oscar Puig-Corve officially resigned from the board, so there is a position open. The Mayor will appoint a new member to the board in the June meeting.
