

Welcome to

Trails & Tails PARK

11645 NW 50 Street • Doral, FL 33178
305-593-6600

7:00 am – Sunset (7 Days a Week)

Trails & Tails Park: Rules & Reasons

- No more than three (3) dogs per person are permitted.
 - With other pets and their owners nearby, it may be difficult to maintain control and safety of more than three dogs.
- Dogs that are in heat, ill, and/or contain known internal or external parasites (fleas, ticks, worms, etc.) are not permitted.
 - Female dogs in heat can and will attract the attention of male dogs. This may cause aggressive and unpredictable behavior. Fleas, ticks, and worms are susceptible to transmittal.
- For the safety of your dog: choke, prong, or spike collars are not permitted.
 - Collars such as these may be prone to getting tangled or caught with other items.
- Dog handlers are responsible for the cleaning of feces with personal equipment or the equipment provided at the facility. Designated bins are available for disposal of waste.
 - Please help in keeping Trails & Tails Park clean.
SCOOP YOUR POOP!
- For the safety and sanitation of our guests, all visitors are required to wear shoes.
 - Though our facility is kept clean, traveling barefoot through Trails & Tails Park increases the risk of exposure to germs or other items left behind.
- For their safety, dogs under the age of four (4) months are not permitted.
 - The majority of young pups do not respond well to commands given by the owner. Having such a lack of control may put these puppies in harm's way.
- All dog handlers must stay within reasonable distance and view of their pets and assume any damage or injury that are caused by their pet.
 - Failure to keep your dog in reasonable distance and/or view may result in incidents of neglect.
- No glass or food. Smoking is only permitted in the parking lot area.
 - With broken glass, it may be difficult to ensure all glass was properly picked up, creating an unsafe environment for other dogs. Food may cause unwanted aggression from other dogs. Smoking is not permitted in any City of Doral park.
- The City of Doral is not liable for injury or damage to people, pets, or property. All incidents should be reported to park staff.
 - Though the City of Doral releases all claims of injury or damage, all incidents with other pets or pet owners should be reported and documented with the park staff on duty.
- Dogs must be leashed during entry and exit from the designated play areas.
 - A leash ensures absolute control by the dog owner. Should aggressive behavior be presented, a leash is a useful tool in protecting your dog.
- Digging is not permitted. It is the responsibility of dog handlers to restore any holes created by their pets.
 - Digging will diminish the beautiful landscaping of our facility. These holes will also result in safety hazards for other guests if not filled in immediately.
- No animals other than dogs are permitted.
 - This facility is dog-friendly and may not be the right environment for other pets. The sight of other animals may affect the behavior of visiting owners and dogs.

**Anyone in violation of these rules
will be subject to removal from
park and/or suspended from
future use of park.**
